

Remarks:

This amendment is submitted in an earnest effort to advance this case to issue without delay. The examiner has indicated that the case contains allowable subject matter.

The specification has been amended to eliminate some minor obvious errors. No new matter whatsoever has been added. The Abstract has been replaced with a US-style abstract.

The claims have been amended to overcome the formal problems.

As there was no art rejection and all the formal objections and rejections have been dealt with, the case is clearly in condition for allowance and passage to Issue.

If only minor problems that could be corrected by means of a telephone conference stand in the way of allowance of this

case, the examiner is invited to call the undersigned to make the necessary corrections.

Respectfully submitted,
The Firm of Karl F. Ross P.C.
